 EUROPEAN YEAR  
 OF CULTURAL  
 HERITAGE  
 #EuropeForCulture

## HERITAGE IN TRANSITION: RE-IMAGINING INDUSTRIAL, RELIGIOUS AND MILITARY SPACES FOR THE REGENERATION OF URBAN AND RURAL AREAS • SUSTAINABILITY PILLAR

### WHY? • OBJECTIVES

One of the aims of the European Year is to integrate cultural heritage into **environmental, architectural and planning policies**. This initiative will promote the transformation of Europe's industrial, religious and military heritage for new uses. Through **smart restoration and adaptive reuse**, old buildings and sites can be given new leases of life to bring economic and social dynamism to cities and regions.

### FOR WHOM? • TARGET GROUPS

Local/regional authorities and communities, heritage professionals and architects.

### WHAT? • CONTENT OF THE INITIATIVE

The initiative has three main components:

#### COMPONENT I - EXCHANGE OF GOOD PRACTICE

The initiative will showcase examples of where industrial, religious and military heritage has been successfully reused. Creative Europe-funded networks will organise **conferences to share experiences and discuss challenges**.

During the European Cultural Heritage Summit, to be held in June in Berlin, the European Commission will organise a workshop on adaptive reuse and highlight best practices from EU Prizes for Cultural Heritage (Europa Nostra) and Contemporary Architecture (Mies van der Rohe Foundation).

### KEY DATES:

- **9 March 2018**  
Shaping the Future – Urban Regeneration and Adaptive Reuse, Dublin, Ireland
- **25-26 April 2018**  
Preserve, Use and Develop: international conference on ecclesiastical heritage and its future challenges, Lund, Sweden
- **16-18 May 2018**  
European Heritage Heads Forum: Old sites and new functions – sharing our built heritage with the next generation, Luxemburg
- **20 June 2018**  
Workshop on adaptive reuse at the European Cultural Heritage Summit, Berlin, Germany
- **20 September 2018**  
Young Talent Architecture Award (YTAA) ceremony at the Architecture Biennale, Venice
- **11-13 October 2018**  
Conference on religious heritage, Paris, France
- **24 November 2018**  
Architects' Council of Europe conference on cultural heritage, Leeuwarden, the Netherlands

## COMPONENT II - ENGAGEMENT

The **European Route of Industrial Heritage** (ERIH) will launch **Work it out!**, a pan-European dance performance in industrial heritage sites. **E-Faith** will run a cross-border twinning campaign between associations while the Torch Initiative run by **Future for Religious Heritage** (FRH) will collect personal stories related to religious heritage throughout Europe.

### KEY DATES:

- **8 January 2018**  
Kick-off ceremony of FRH's Torch initiative in Leeuwarden, the Netherlands
- **1 May 2018**

## COMPONENT III - URBAN/RURAL REGENERATION AND SUSTAINABLE DEVELOPMENT

The findings of EU regional or research projects will be used to promote the positive impact that adaptive reuse can have on the revival of neighbourhoods. Environmental issues will also be addressed, and local and regional decision-makers will be involved in discussions.

### KEY DATES:

- **May 2018**  
Three major EU projects funded by URBACT will deliver their results on the reuse of vacant buildings or abandoned military spaces
- Implementation of Horizon 2020 projects on adaptive reuse such as ROCK and CLIC
